HANDWRITING SHEET 1: Bird Story

Read how each bird came to Pine Hollow. On the lines below copy the first two sentences from your favorite bird story.

Chirp's Story:

Chirp's story was well known by the critters of Pine Hollow. Chirp's cousins, Dirk and Kirk, had asked Chirp to come with them to be in the circus. Chirp had a beautiful voice. She just couldn't be a circus performer.

Autumn's Story:

Autumn's story was new to the critters of Pine Hollow. Chirp had met Autumn when she moved to another tree. Autumn brought gifts to every new critter she met. Chirp told Autumn that she did not need to give gifts. Autumn tried it, but she was even more shy than before. So Chirp let her give gifts, anyway. Autumn was soon a favorite of all at Pine Hollow.

Sir Finch & Whir's Story:

Sir Finch and Whir were brother and sister. They were the best of friends. Sir Finch felt crowded at his home tree. There were too many birds! Whir could not stay at home if her favorite brother left to find a new home. So, Sir Finch and Whir found Pine Hollow and stayed.
